Dear Parents,

Thank you for your interest in enrolling your child in Redeemer Lutheran School. We are excited to be offering Kindergarten through 6th grade for the 2022-2023 academic school year. It is our vision to provide a place for your child to grow spiritually, physically, and academically; a place that is Christ-centered and where love abounds. It is our desire that we work together to help your child become all that God has intended him or her to be.

We believe it is God's will to continue to add a grade every new academic year. The School Board has granted that request. Therefore, in the next few years Redeemer Lutheran School will become a complete Elementary & Middle School welcoming students beginning in Kindergarten through the 8th Grade.

Soon land will be cleared on the church's property and a brand new temporary four-classroom modular school building will be installed. As we enter into our seventh academic year, we would love for you to join us in this very exciting time.

The contents of this packet contain all the necessary paperwork for your child to apply for enrollment at Redeemer Lutheran School. We ask that you prayerfully consider enrolling your child in our school. We are here to answer any questions that you may have. Please do not hesitate to contact us.
